

Foundry 4 Mentor Code - Zero2Hero

1. Respect the Process - No one skips tiers. Earn every level.
2. Lead by Example - Show effort, respect, and ownership every session.
3. Serve Before You Lead - Mentors build others up, not boss them around.
4. Teach the Sandman Rules - Pay Attention. Put in Effort. Show Respect. Trust the Process.
5. Stay Humble - You started at Zero too. Never forget.
6. Protect the System - What we build here stays here until ready for the world.
7. Zero2Hero Mentality - Every leader starts at Zero. Earn every step.

I accept the responsibility to lead by example and honor the Zero2Hero way.
