

Foundry 4 Parent Bridge Sheet - Zero2Hero

What Parents Should Know About the Mentor Program

1. What Mentors Do - Teach, guide, and support, not just drill technique.
2. Why It Matters - Builds leadership, confidence, and character in your kids.
3. Your Role - Encourage effort, respect, and patience with the process.
4. Progress - Promotions are earned, not given.

Thank you for trusting the process and supporting your child's journey from Zero2Hero.
