Materials Check

- Printed & Ready: Mentor Code Handout, Parent Bridge Sheet, Binder PDF Pack (Athlete Progress + Mentor Summary), Tier Visuals.
- Digital: Day 7 Wiring Sheet (Excel or Google Sheets), PDF backup.

Environment Prep

- Tier visuals posted (internal mentor visual private).
- Binder + handouts accessible; daily digital backup to Excel.

Team Setup

- Leaders Briefed: 2-week grind purpose, Zero2Hero Code emphasis.
- Athletes Briefed: Simple messaging - Earn every step.

Daily Routine Flow

- Day Start: Quick huddle, Tier Goal & Sandman Rules reminder.
- Training: Leaders run Tier Zero/One drills; observe & note.
- Day End: Mentors explain promotions; update wiring sheet after session.

End-of-Week Routine

- Print Athlete Progress & Mentor Hours Summary; review with leaders.
- Ask: What's confusing? What slowed us? What excited kids?

End-of-Pilot

- Full Binder Review: Circle what worked, note what sucked.
- Mentor Roundtable: Final feedback before mentor room rollout.
